IMPROVING WORKING LIVES

GUMBOOT (BLACK) S4

ARTICLE	890-8101
SIZE RANGE	UK 4 -12
CONTR. TECH.	Direct Injected

FEATURES

DESCRIPTION

Gumboots are suited for very wet environments. Gumboots are also known as Wellington boots and rain boots. These work boots made by Bata Industrials are always water resistant. For gumboots it's very important that they have anti slip features. Wet environments are often slippery, so anti slip protection is a must have. In some occasions gumboots are also used in highly disinfected environments, such as kitchens and butcheries.

MAINTENANCE

To keep footwear in usable conditions it is recommended to maintain it always clean and polished. If wet, shoes should be dried at room temperature. Never heat at stove.
