Shock Absorption

STANDARDS & ACCREDITATIONS

Standard | ASTM F2413-11, M 1/75, C/75, EH

DESCRIPTION

Built to withstand the toughest working environments, the Collina 2.0 is Aspida's premium range footwear which features a Goodyear welted construction that enhances durability. The HRO Rubber outsole offers great protection and traction to user while providing the high durability. Recently, we have also introduced dielectric (electrical hazard) function to this range of footwear.
