

ROOKIE

The Honeywell Rookie offers a durable, modern and comfortable safety shoe for indoor/outdoor work in medium to light industries. Available in a laced ankle boot and low-cut shoe, the extra lightweight, dual density PU outsole of the Rookie provides good slip resistance. Value never looked so good.

FEATURES

- Impact resistant carbon steel toe cap (200 joules)
- Anti-puncture steel midsole insert
- Light weight, anti-slip dual density polyurethane sole provides impact cushioning for the entire foot
- Comfort ethyl vinyl acetate (EVA) foot bed works to soften the impact on the feet, stride after stride

Steel Toe Protection

MAINTENANCE

STORAGE INFORMATION:

Footwear should be stored in their original packaging, kept in a controlled stock area not subject to rapid changes in temperature or humidity levels.

CARE INSTRUCTION:

After use leave your footwear to dry in an aired place away from heat. Dry and remove any excess dust or dirt with brush. Remove any marks using a damp cloth and soap if necessary. Finally polish any grain or pigmented leathers using a commercially available shoe care product.
